**“This is my #1 electric car brand I’m keeping my eye on.”**

A.A.

“Exiting to see the truck coming to life!”

J.L.

“My favorite truck right now!”

D.C.

**“Definitely the truck I’ve been waiting for.”**

Carina Licea

**“About time cars are getting designed by DESIRE.”**

@arzoarsalan

“Dang, need this thing! Cool lil’ trucks, please bring ‘em to Germany asap!”

H.K.

“Just imagine if all those Teslas out there would be Wolfs...”

M.S.

“Will buy as soon as it’s ready!!”

@flosstradamus

“It’s moves the design forward into the future while retaining the aesthetic elements of the past.”

M.E.G.

“They just keep getting better and better.”

@titans\_muse

**“Retro classic looks bring back childhood nostalgia.”**

J.L.

“I can’t wait to see these hit the trail.”

C.H.

**“Alpha has THE best looking vehicles.”**

@s.p.filho

“Ok, I’m gonna need a Wolf sooner rather than later.”

@brothernaturee

**“You have tapped into several generations with the design. There will be those that remember back to the 1970s. And there will be those that appreciate the modern take on a utility pickup design.”**

J.J.S.

“Can’t wait for these Alphas to hit the road!”

M.A.

**“I am so excited for this to go into production! It’s by far the coolest EV truck!”**

J.F.

**“Hands down best-looking EV truck out there”**

@pasta\_rockeccino

“I am a big fan of Alpha Motors. I think your designs are both classic and modern. Can’t wait to see them on the road!”  
N.W.

“Truck looks super cool, would love to take a ride.”  
G.D.

**“The fact that it looks as good in real life as it does in renders is astounding”**

@zoomtuning

“I’ve been following Alpha motors for a while now! I’d love to get up close with the WOLF!!!”  
C.T.

**“Excited to drive this super cool truck!”**

V.S.

“WOLF, everything! PCH, cruising!”

R.J.

“Bring that ute to Australia. It will sell like... crazy.”  
@sean\_tilley

“Can’t wait to see a saga estate”  
@clanejrr

“Very excited for the other models in you line up. I would love a saga as a dad mobile.”  
@ibeatoffroad

**“This is what all pickups should look like.”**

@patgavin

“As a park ranger I’d love for my department to ditch our big gas guzzlers and go with something like this...”  
@toshiagain

“Please bring to Australia, these things would sell ridiculously.”  
J.R.

“Finally, a new vehicle, EV or otherwise, with a nice interior. All those others with the obnoxious screen everywhere are junk, this is a nice clean interior with a nicely placed single screen and regular HVAC controls below it. Perfection.”  
@will.27.k

“I’m on the reserve list for - well, all the WOLFs!”

J.B.
